

Training and Support for Your Business

We are driven by the Government's ambition for more young people to undertake an 'Apprenticeships Programme'. The longer term target is for at least one out of every five young people to be involved in an 'Apprenticeships Programme by 2020.

We strongly advise our customers to consider and indeed all businesses to consider apprenticeships as part of their recruitment strategy.

Our Specialist Services

We realize that the current market is saturated with training providers that offer apprenticeship schemes. At Independent Training we offer more than an apprenticeship scheme, as our specialist service provides:

A full mandatory training package at no additional cost to the employer

- Level 2 Food Safety qualification**
- Emergency First Aid at work**
- Moving & Handling Introduction**
- Health & Safety**
- Induction to Care**

To the value of £250

Helping You Find the Right People

We provide a specialist team that gives you a unique, flexible, low risk and low cost way to employ junior staff.

Whether you require, Customer Service, Health or Social Care we have a waiting list of learners that are keen to find work placements

What we at Independent Training can offer to your business and your employees:

We will provide a dedicated representative who will be able to support and guide you. They will work closely with you to:

- **Help you decide which apprenticeship is right for your business**
- **Explain the way that apprenticeships might work for you and if funding is available**
- **Recruit an apprentice or support your existing staff into apprenticeships**
- **Manage the training and evaluation and agree a training plan with your apprentice**
- **Ensure that national quality standards are met and deliver integrated coherent training**
- **On successful interview ensure that packages of mandatory training are in place**
